## Quick review

rather than being mere assemblages of physical objects, landscapes are “constructed” in people’s minds.

## People centred landscape concept: based on landscape knowledge

## Assignment 2: Your landscape symbols *Further explanations (2)*

**The following questions should be kept in mind as you approach this photovoice assignment:**

- How and why did the symbols you identify appear in your surroundings?
- Did their meaning change along with socio-political changes in your region, or country?
- What do these symbols mean to you today? Are they understandable for someone outside of your own culture?
- What do you think about sharing symbolic meanings of landscape?

etc.

## Part 1: The group members' landscape symbols/photo voice

Group member 1 – x:

Slide 1 -2 : Your photo voice

The first two slides can be repeated for each group member, so there will be two slides per group member

Please only use your original material

**Presentation time:** max. 2 minutes per slide

## Part 2: Results from your group reflection

The final slide should present a synthesis of your group reflections.

Did you encounter similarities/differences in the way you have identified and analysed each others' symbols?

What would you conclude from this for the concept of landscape?

**Time frame:** 2 minutes per slide, 15-20 minutes per group **maximum**  
+ 10 minutes discussion

We will present in **five parallel sessions** à 90 minutes.

**Time limits** need to be taken seriously, please practice in advance!

This presentation needs to reach your tutors **before Wednesday, April 19.**
