

***Coastal Landscapes narrative*** from a landscape architects perspective

## APPEARANCE

**Visual**

**Iconic**

**Cultural**

**Aesthetical**

## ACTION

**Change: tourism, recreation**

**focus towards case studies**

The **coast** confronts us with the wild, the untamed, unknown and uncontrolled and as well with connexion

The coast is a **metaphor**:

- border, harbour and transformation
- inside vs. outside
- order vs. chaos
- It is beautiful and sublime

**Symbols**

- waves and tides
- beaches and fjords

**Change**

- Tourism: *to leave something behind*

**Challenges**

**Projects**

- *border, harbour and transformation, inside vs. outside, order vs. chaos*

**Thales of Miletus** defined water as the indefinite, the Apeiron (*ἄπειρον*).  
It is a Greek word meaning: un**limited**, boundless or infinite
