What is Community Learning?

A partnership of universities with their local communities fostering **innovation for sustainability**.

The methodological framework is called **participatory action research (PAR)**.

Amongst others, this includes **design thinking, business planning and partnership**.

Who we are: our project team

What we offer

- **12 live sessions on the internet** with international lecturers, successful local community initiatives, social entrepreneurs
- interactive learning with **online teams in tutored sessions**
- **Real-life collaboration** in our **community innovation labs**
- **Interdisciplinary and international group work** with students from Germany, Romania, the Baltic States, the Netherlands, other European countries and the world
- ERASMUS travel grants to attend **on site workshops** in Romania, Estonia or Germany.
- Core knowledge for **developing your community innovation project**:
 - Identifying communities
 - Setting Goals
 - Designing ideas
 - From idea to implementation

Your benefits

- **Gain hands-on and practical skills** for developing social innovation and social business ideas and involving communities
- **Gain valuable international experience** by working in intercultural teams, practicing your English language skills and applying your knowledge in a virtual context
- **Learn new methods and distinguish your CV** with holistic and much-needed competencies including design thinking, entrepreneurial skills and social responsibility

Present your ideas with and for the community

...and also to your online partners

The screenshot shows a Zoom meeting window. The main content is a presentation slide titled "Groene Rijders / Green Riders" by student Tijs Peters. The slide text describes the company as a CO2 neutral logistic service provider that uses electric bikes for distribution in Arnhem. It also mentions distribution hubs in the suburbs. The slide includes a logo for "GROENE RIJDEERS" and two photographs of electric cargo bikes. The Zoom interface includes a top toolbar with "Meeting", "Layouts", "Pods", and "Audio" options. A "Video (8)" panel on the right shows eight participants in a grid. Below the video is a "Hinweise 5" (Notes) panel with the text "presentation. please share you camera and microphone so we can see your faces and quickly check the sound :) Only the person presenting should move the slides." To the right of the notes is a "Teilnehmer (20)" (Participants) list showing "tjjs, eman" as the host, "Ellen Fetzer" as a host, and "arati", "Boniface", and "Dirk VHL" as presenters. At the bottom is a "Chat (Everyone)" panel with messages from "jasmine 2: also*" and "Jamy: is also fine for me". The bottom status bar shows "2 / 37" slides, "87%" zoom, and a "Sync" button.

Formalities

- Participation in this course is open to students of **any study programme**. The online course is **free of charge**.
 - The online course is combined and synchronized with **local workshops in the community innovation labs (CILs)**.
 - **Academic recognition** for successful completion will be as follows:
 - 5 ECTS for the online portion + attending CIL workshops
 - Students are responsible for individually seeking academic recognition at their respective universities. Individual agreements might be up to 8 ECTS depending on local curricular context.
 - Travel grants for attending the programme workshops in Estonia, Germany and Romania are available.
-

Formalities

- There is no limit regarding the number of participants in the online course. **Any interested student** (or graduate, young professional) is invited to attend.
- All participants who **successfully complete** the assignments for the online course will be issued a **certificate** on behalf of all academic institutions involved.
- Also, **passive participation** (i.e. “listen-only”) in the online course is possible, but **no certificate** will be issued for this participation mode.

Registration and deadlines

Our social innovation programme requires online registration.

Registration is collected centrally, even if you also registered internally within your institutional systems.

Application deadline: 19th of March 2023
